

Air Quality Online Courses
Recommendations by Ron Basket

Society and Public Organization courses

[A&WMA Courses \(awma.org\)](http://awma.org)

[Air Pollution Training Institute - Public Training Site | Air Quality Data and Tools | US EPA](#)

[Webinar Directory - American Meteorological Society \(ametsoc.org\)](http://ametsoc.org)

University Corporation for Atmospheric Research [COMET » Home \(ucar.edu\)](http://ucar.edu)

[COMET / MetEd Lesson Viewer \(ucar.edu\)](http://ucar.edu)

Some courses relevant to air quality (may require MetEd login):

[HYSPLIT Applications for Emergency Decision Support, 2nd Edition](#)

[Dispersion Basics](#)

[S-290 Unit 7: Wind Systems](#)

[S-290 Intermediate Wildland Fire Behavior Course](#)

[Air Quality Forecasting Fundamentals](#)

[PBL in Complex Terrain - Part 1](#)

[Volcanic Ash: Observation Tools and Dispersion Models](#)

[Introduction to Air Quality Management \(Self-Paced\) | World Bank Group](#)

Consulting Company Courses

[Training | Trinity Consultants](#)

[Lakes Environmental | Training Overview \(weblakes.com\)](http://weblakes.com)

General meteorology course

[EUMeTrain](#)

Indoor air quality Organization courses

[Indoor Environmentalist Course - Prepare for the CIE, CIEC, and CRIE \(indoorsciences.com\)](http://indoorsciences.com)

[Training Courses – Indoor Air Quality Association \(iaqa.org\)](http://iaqa.org)
